We want to brag just a little —It's about our wool fleeced underwear at 50c the garment, and that is something to brag about.

Besides being wool instead of the cheaper and less satisfactory cotton garments, this underwear is made in "just right" sizes, the trimmings are first class, the seams are perfectly made and the length is comfortable.

You look at these garments, they'll suit you. We're here to sell them.—50c a garment.

Free—We give stereopticon views with every 50c purchase.

SUIT FOR STOCK

INVOLVING \$8,000 IN MILLER PASTEURIZING COMPANY.

Slander Case Dismissed—Suit Over Contract Involving the Rental of a Farm.

Harvey H. Miller has been sued in common pleas court by Julia, Otto and Homer Gleason for \$8,000, with interest from Jan. 18, 1905. Plaintiffs state that on this date they entered into contract with the defendant and J. C. Miller for the sale of 260 shares of stock, one-half common and one-half preferred, in the Miller Pasteurizing Machine Co., the stock valued at \$13,000.

Five thousand dollars had been paid and the balance was to be paid two years after the date of the contract. The petition states that one clause of the agreement stated that if the Millers sold stock involved, or a controlling interest, before the expiration of the two years, the balance of the \$8,000 was to be paid immediately. It is stated that the controlling interest has been parted with, and the balance is due and unpaid. Since H. H. Miller released J. C. Miller from all liability, the former only is sued. Attorney H. V. Briggie filed the petition.

CASE DISMISSED.
Upon the application of the plaintiff the case of Daniel Hossler vs. Louis Reich, which was brought up for trial before Judge Ambler and a jury on Wednesday morning, was dismissed. The charge was criminal slander.

CONCERNING RENTAL OF FARM.
The case of Henry against Bucher was started before Judge Ambler on Wednesday morning. The case was not finished, and will be completed this morning. The suit is in regard to a disagreement about a contract concerning the rental of a farm. Henry claims that money is due him for extra work performed by him on the farm. Attorney Burris represents the plaintiff.

VETERANS OF 104TH

ELECTED OFFICERS AND CHOSE MASSILLON NEXT MEETING PLACE.

Eleve Comrades Have Answered "Taps" Since the Last Reunion. Resolutions Adopted.

The annual reunion of the 104th regiment, Ohio volunteers, and Battery D of the First O. V. V. L. A., has brought many veterans to this city, and from all accounts has been a great success.

The afternoon and evening sessions Wednesday at Assembly Hall were of unusual interest.

At the business meeting in the afternoon many matters of importance were dealt with. Cyrus Bomberger, president, presided at the meeting. The secretary read the minutes of the meeting held one year ago, when a motion was made to the effect that they be placed on file.

A committee on the next place of meeting was composed of Eli Smith, Mr. Hinman, Will Walker, G. W. Schaefely, A. L. Hony and S. F. Vallesy reported that 11 deaths had occurred during the year. This committee offered the following resolution:

"Whereas, Since our last reunion, 11 of our comrades have answered to the roll call above, and by their deaths and irreparable loss, it has been resolved that we tender to their families our most heartfelt sympathies; and be it

Resolved, That this report be made a part of the records of the reunion." A motion was carried that a man from each company make a report concerning the members now living.
